

# IT Admin and Application Coach

To leverage our internal IT collaboration tools and strengthen our young and dynamic IT Team, we are looking for an IT Admin and application coach in Malaga, Spain to help our global internal users.

## Responsibilities

- Training for our internal users on collaboration tools worldwide
- IT Administration of our Malaga Office (about 25 FTEs)
- Administration, ownership, and improvement of the existing collaboration tools such as JIRA, Confluence, Slack, SugarCRM, etc.
- Collaborate in different projects (design of our internal processes with Atlassian products, Slack Channel management, and more)
- Creation of training material
- Be the internal expert for all collaboration tools

## Skillset

- Excellent English skills, able to switch between technically complex and simple English phrasing
- Confluence skills, other cloud applications are a plus
- Strong security knowledge for cloud and web services
- IT Administration Background
- You are a team player with excellent communication skills

## What we offer

- A thriving multinational company that is investing in high-tech
- Short communication ways that support learning
- A young and dynamic team
- Access to the latest technologies
