

Road Marking Skid Resistance

Proceq SRT 5800

Portable Skid Resistance Tester

Accuracy

The Pendulum Test Value (PTV) appears automatically on the OLED digital display, eliminating the possibility of parallax error.

Efficiency

The digital display provides helpful prompts to simplify and accelerate the test procedure.

Ease of Use

Intuitive, easy-to-use design. All historical data is stored for future recall, and personalize software and reports to include your organization's name, colours and logo.

Instrument Tech Specs

Display

Digital option available on Pro versions

Weight

28 kg (61.7 lbs)

Standards & Guidelines	Description
